II. Livestreaming and Distribution

You are giving a presentation at the annual conference. This section of the rights form gives you the opportunity to grant or deny ACM the ability to make this presentation more widely seen, through (a) livestreaming of the presentation during the conference and/or (b) distributing the presentation after the conference in the ACM Digital Library, the "Conference Presentations" USB, and media outlets such as Vimeo and YouTube. It also provides you the opportunity to grant or deny our use of the presentation in promotional and marketing efforts after the conference.

Not all conference presentations are livestreamed; you will be notified in advance of the possibility of your presentation being livestreamed.

The permissions granted and/or denied here apply to all presentations of this material at the conference, including (but not limited to) the primary presentation and any program-specific "fast forward" presentations.

ACM's policy on the use of third-party material applies to your presentation as well as the documentation of your work; if you are using others' material in your presentation, including audio, you must identify that material on the ACM rights form and in the presentation where it is used, and secure permission to use the material where necessary.

Livestreaming.

I grant permission to ACM to livestream my presentation during the conference.

☒ Yes ☐ No

Post-Conference Distribution. I grant permission to ACM to distribute the recording of my presentation after the conference as listed above.

☒ Yes ☐ No

Auxiliary and/or Supplementary Materials

Defined as additional files, video or software and executables that are not submitted for review and publication as an integral part of the Work but are supplied by the author as useful resources.

Do you have any Auxiliary Materials? ☐ Yes ☒ No

Third Party Materials * <http://www.acm.org/publications/third-party-material>

In the event that any materials used in my submission or Auxiliary Materials contain the work of third-party individuals or organizations (including copyrighted music or movie excerpts or anything not owned by me), I understand that it is my responsibility to secure any necessary permissions and/or licenses for print and/or digital publication, and cite or attach them below. Third-party copyright must be clearly stated in the caption(s) or images or in the text narrative near the object(s) in the Work and in any presentation of it and in Auxiliary Materials as applicable.

ACM offers Fair Use Guidelines at

<http://www.acm.org/publications/guidance-for-authors-on-fair-use>

* Small-performing rights licenses must be secured for the public performance of any copyrighted musical composition. Synchronization licenses must be secured to include any copyrighted musical composition in film or video presentations.

☒ I have not used third-party material.

☐ I have used third-party materials and have necessary permissions.

Representations, Warranties and Covenants

The undersigned hereby represents, warrants and covenants as follows:

- (a) Owner is the sole owner or authorized agent of Owner(s) of the Work;
- (b) The undersigned is authorized to enter into this Agreement and grant the rights included in this license to ACM;
- (c) The Work is original and does not infringe the rights of any third party; all permissions for use of third-party materials consistent in scope and duration with the rights granted to ACM have been obtained, copies of such permissions have been provided to ACM, and the Work as submitted to ACM clearly and accurately indicates the credit to the proprietors of any such third-party materials (including any applicable copyright notice), or will be revised to indicate such credit.
- (d) The Work has not been published except for informal postings on non-peer reviewed servers, and Owner covenants to use best efforts to place ACM DOI pointers on any such prior postings;
- (e) The Auxiliary Materials, if any, contain no malicious code, virus, trojan horse or other software routines or hardware components designed to permit unauthorized access or to disable, erase or otherwise harm any computer systems or software; and
- (f) The Artistic Images, if any, are clearly and accurately noted as such (including any applicable copyright notice) in the Submitted Version.

Additionally, please reference the following representations that must be agreed to prior to submission and acceptance of your paper.
